

Waterford & Lismore Diocesan Team

Hello, my name is Sean I am 20 years old from Clarkston MI, USA! This is my second year with NET Ministries! I served on a Road Team and did 140 retreats all over the North East of America. I enjoy being a positive presence to all that I meant with joy and laughter, with my many jokes. I enjoy sharing my life stories of how the Lord has impacted my life throughout the years. I felt called to serve a second year on NET Ireland because with my grandfather was from County Louth, and both my parents are Irish. My parents brought me and my three brothers up in the faith with the strength of our Irish heritage. I'm excited to see what the Lord has in store for me, my team and this mission ahead of us.

My name is Marie, I'm 24 years old and I was born and grew up in Australia. I studied Health Science in University but realised that what I really want to do is teach young people about the faith and the incredible love Jesus has for them. I enjoy reading and writing (especially letter-writing), as well as travelling to as many places as I can. I'm excited for what God has in store for me in serving with NET and can't wait to be a witness for Christ!

Hi! My name is Patrick Grant! I'm from Prince Edward Island in Canada. My love for St. Patrick and the country of Ireland, along with my love for NET ministries, has led me to be a missionary this year! I look forward to meeting young people and getting the chance to spread God's love for them. I love eating food, making YouTube videos, photography, and music!

Hey there! I'm Rekina, I am 19 yrs old and I come from the small city of Weyburn, Saskatchewan, which is right in the middle of Canada! I love music, and reading, but my passion is in writing! I am a convert, I joined the Catholic Church on Easter of 2016, and I am so happy the Lord showed me the way home. I first encountered the Church through a NET team that was based in my parish for two years. I am so excited and honoured to be serving with NET Ministries Ireland!

Hey y'all, my name is Courtney and this is my second year serving with NET Ireland. Last year I had the opportunity to have some amazing adventures on the Road Team, but the Lord was not done with me yet. I am excited to see what happens this year! I am originally from Dallas, Texas in the US, but before NET I graduated Newman University with a degree in Criminal Justice.

Hello! My name is Michael, I'm 22 years old and I'm from Dublin. This is my first year serving with NET Ministries and so far I'm delighted I came. Up until not too long ago I had been an Evangelical Protestant, but with God's help I found my way back to the Catholic Church after coming to see that the Catholic Faith *is* true Christianity. My hobbies include reading, football, tennis, and eating! I'm very excited for what this year will hold and to have the opportunity to witness of the Good News of Jesus to the young people.
