

God of Resurrection,

be our companion throughout each day.
Encircle us with the splendour of your light.
Let nothing disturb us or take away our peace.
Open our eyes to recognise the many blessings in our lives
and all the possibilities that await us in every moment.
May this simple prayer be true in our lives today. Amen,

Litany of Hope

We believe in God,

the one who reveals new life when all seems dead.

We believe in Jesus Christ

whose message reassures us of God's intimate love for each one of us.

We believe in the Holy Spirit

Whose power frees us from unnecessary worry and anxiety
and enables us to address the needs that are confronting us.

We believe in the resurrection

that empowers us to face the challenges that we face as teachers.

Risen Lord

Raise up our neglected gratitude.
Entice our tired enthusiasm.
Give life to our faltering relationships.
Impact heartiness in our work.
Rejuvenate us, invigorate us and inspire our creativity
as we renew our commitment to the many tasks
we have under-take each day. Amen.

Living God,

Giver of life,

Heart of life,

Breath of life,

Sustainer of life,

Protector of live,

Bless us now and always.
