

Prayer in Times of Financial Difficulty

Dear Lord,
Help me find firm ground
in this shaky economy.
As I seek work and assistance,
give me strength
not to be anxious
when I seem to be going nowhere;
give me patience
not to despair when things look bleak;
give me serenity
to know you are here with me,
helping me to carry my crosses
each day;
so that I may do Your will,
for the salvation of souls
and my Eternal Life.
Amen
