

## **Prayer in Time of Sickness**

Jesus, You suffered and died for us.

You understand suffering.

Teach me to understand my suffering as You do; to bear it in union with You; to offer it with You to atone for my sins and to bring your grace to souls in need.

Calm my fears; increase my trust.

May I gladly accept your holy will and become more like You in trial.

If it be your will, restore me to health so that I may work for your honour and glory and the salvation of all. Amen

## **Prayers when undergoing medical tests**

Dear Lord, as my loved ones and I await the results of medical tests about my affliction, let us offer you our anxieties for our good and your glory.

Calm us in our worries, knowing these don't add wisdom but rather stress to this situation.

Enlighten us, through the power of your Spirit, to make wise decisions as to treatment.

Help us not to turn away from You in these fragile, painful moments, but rather towards you for grace and strength.

Comfort us in seeking you now as we place all our concerns in your loving hands as we say "Thy Will Be Done." Amen.
